

Excellence Through Safety

A member of the Kuok Group

PACC Offshore Services Holdings Ltd. ("POSH"), a member of Kuok Maritime Group, provides offshore support services and subsea solutions to the energy and renewables industries.

Headquartered in Singapore and with operations globally, POSH has served the industry for over 70 years. Our services include Subsea IMR and SURF Installation; floating wind transportation and installation, floating production systems transportation and installation; offshore accommodation and support vessels; and harbour towage services.

POSH is consistently recognized by customers for our operational excellence, commitment to safety and delivery of quality service. We are committed to upholding our high standards as we deliver "Excellence Through Safety" to our clients across Asia, the Middle East and Latin America.

MISSION

Providing safe and sustainable services to our customers, centered around the company's core values.

VISION

To deliver best-in-class offshore marine services to support our customers' growth ambitions in the ever-evolving global energy landscape.

120T Subsea Crane

AHT / AHTS
Up to 150T Bollard Pull

**Accommodation Vessels
and Work Barges**
Up to 238 POB

**Offshore Construction
Vessel**
DP3/250T AHC Crane

Harbour Tugs
Up to 73T Bollard Pull

Ocean Going Tugs
Up to 255T of Bollard Pull

Platform Supply Vessel
Up to 820m² Deck Space

OUR SERVICES

CONSTRUCTION & INSTALLATION

Integrated suite of services from Subsea Inspection, Repair and Maintenance (IRM), Construction and Installation and SURF support for subsea projects. Mooring Pre-lay, hook-up and Cable Installation, and decommissioning.

OFFSHORE TOWAGE & PROJECT LOGISTICS

World's leading operator in deep-water ocean towage space and operates largest Anchor Handling Tug (AHT) fleet globally, enabling efficient execution of large towing projects.

Operating a fleet of specialized tugs with bollard pull of up to 250 tonnes, our vessels can support floaters positioning, station keeping and other value-added turnkey solutions.

OUR SERVICES

OFFSHORE SUPPORT & ACCOMMODATION SERVICES

Operating a fleet of high-specification offshore support vessels and accommodation vessels ranging from 100 to 750-pax; capable of both topside and subsea services including hook-up and commissioning, maintenance and light construction work.

FLOATING OFFSHORE WIND TRANSPORTATION & INSTALLATION

POSH offers a suite of integrated solutions for partners in the floating offshore wind space.

Our end-to-end capabilities includes: planning & engineering, project logistics, mooring pre-lay and base management, to tow out & hook up, cable installation, operations & maintenance, and decommissioning.

Excellence Through Safety

Safety stands out as the highest priority in POSH. Our safety track records speak for itself and as one of the best in the industry.

When you work with POSH, you can be assured that at every step of the way safety will be on the agenda. A "Think Safe, Work Safe and Go Home Safe" approach, will always aim at getting the work done in safe and conducive environment.

Kuok Maritime Group offers an integrated suite of maritime solutions to businesses globally.

KUOK MARITIME GROUP

Kuok Maritime Group (KMG) includes Pacific Carriers Limited (PCL), PACC Offshore Services Holdings (POSH), PaxOcean Group (PaxOcean), Pacific Workboats Pte Ltd (PWPL), McPEC Marine & Offshore Engineering Pte Ltd (McPEC) and KSL Maritime Ventures (KMV). KMG offers an integrated suite of maritime solutions to businesses globally. It serves the maritime value chain from provision of offshore maritime and subsea support services, shipping and

transportation, newbuilding, harbour and terminal towage services as well as EPC turnkey solutions for onshore and offshore oil and gas and energy markets, to supporting start-ups offering technological and innovative solutions to the industry. The group is also a leader in the Coastal Sustainability Alliance in Singapore, working with like-minded industry partners to build a sustainable next-generation maritime ecosystem.

Kuok Group Singapore operates multiple businesses across three major sectors.

Maritime

Pacific Carriers Limited (PCL)

A global shipping operator providing shipping services and maritime supply chain solutions.

Pacc Offshore Services Holdings (POSH)

An offshore marine services provider supporting upstream oil and gas, and renewable energy operations.

PaxOcean Group

A premier shipyards group that supports the marine and offshore industry in newbuilding, fabrication, recycling, repairs and conversion of conventional and renewable energy assets.

Pacific Workboats Pte Ltd (PWPL)

A sustainability-centric harbour and terminal towage operator offering a full range of towage services with its modern fleet of Azimuth Stern Drive (ASD) harbour tugs.

McPEC Marine & Offshore Engineering (McPEC)

A full-fledged Engineering, Procurement and Construction (EPC) turnkey solutions provider developing customised modular buildings for onshore and offshore projects worldwide in the oil and gas, power and data centre industries.

Real Estate

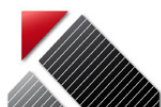

长春产业
ALLGREEN PROPERTIES

Allgreen Properties Limited

A leading real estate group in Asia with a diversified portfolio of properties comprising residential, retail, commercial, serviced apartments and hotels.

Digital Infrastructure

K2 STRATEGIC

K2 Strategic

An international developer, owner and operator of hyper-scale digital infrastructure assets.

KUOK GROUP SINGAPORE

“

We are committed to developing teams and businesses with heart, integrity, and entrepreneurial spirit to create long-term sustainable value for all our stakeholders. ”

An Asian investment holding company with diverse operations, **Kuok Group Singapore (KGSg)** is an established leader in digital infrastructure, maritime and real estate sectors.

KGSg was founded in 1948 and has since grown into a Group with a multi-billion asset base. KGSg shares a common heritage with two other holding companies, namely Kerry Holdings Limited in Hong Kong and Kuok Brothers in Malaysia, in that they were all founded by the Kuok family.

The subsidiaries under KGSg include but are not limited to **Pacific Carriers Limited (PCL)**, **PACC Offshore Services Holdings (POSH)**, **PaxOcean Group**, **Allgreen Properties** and **K2 Strategic**.

Our Core Values

OUR INTEGRITY

We relate to others with sincerity, honesty, truthfulness and benevolence.

We treat everyone fairly regardless of seniority and background.

EFFORT

We are committed to the organisation and work diligently to achieve success.

We stay resilient, hold ourselves accountable and always give of our best.

GRATITUDE

We are thankful for the challenges we go through, that make us stronger, wiser and humble as a team.

We show our appreciation to others for their support and contribution to our success.

UNITY

We embrace differing views to reach the best way forward.

We strive together for a common purpose and execute collectively.

COMPASSION

We care and look after the well-being of our people and the community.

We take responsibility for the safety and well-being of all.

Our core values of Gratitude, Compassion, Integrity, Effort and Unity are our fundamental beliefs as an organisation. They serve as a compass to guide our behaviour, decisions and actions. Our sustainability strategy is an extension of these values. We are committed to protecting the environment, ensuring the wellbeing of our employees and of society, and managing responsibly and transparently in all areas of our operations. Accordingly, we have in place a sustainability governance structure to guide and aid our businesses in achieving their sustainability goals. This includes setting targets that aim for the Group to:

- Achieve Net Zero by 2050.
- Prevent oil spills so that we minimise environmental damage and protect ecosystems.
- Maintain employee engagement by fostering inclusiveness, enhancing employee welfare, ensuring a range of training opportunities, and maintaining fair and transparent employment practices.
- Ensure the health and well-being of our employees.
- Equip our employees with the knowledge and tools they need to comply with our governance policies.
- Provide volunteer opportunities for all our employees.
